

Elk Grove – Galt Community Emergency Response Team

Form 1010 | Team Assignment Roster

Instructions: Operations or Incident Command should use this form to record team assignments throughout the incident. Identify the Team Type (e.g., Fire, SAR, Medical, etc) and list each team members' names in numbered boxes. If a team completes an assignment, use another team column for the next assignment. Return this form, along with the Incident Briefing Report, to Incident Command.
