## **ARTICLE 1 PURPOSE**

1.1 This Agreement, hereinafter referred to as the "Agreement", contains the terms negotiated by and between TEAMSTERS LOCAL 150, hereinafter referred to as the "Union" and the COSUMNES COMMUNITY SERVICES DISTRICT, a public special district under the Public Resources Code Sections 5500 et seq., hereinafter referred to as the "District".

Both parties agree that the intent and purpose of this Agreement is the promotion of harmonious labor relations between the District and the Union and the establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of wages, hours of work, and conditions and terms of employment and to establish a means of settling grievances, disputes and controversies between the District and its employees.

1.2 The Agreement is entered into pursuant to Section 3500 et seq. of the California Government Code.

1.3 The Agreement applies only to District employees in the represented classification(s) of the Park and Golf Operations Division listed in Appendix "A".

1.4 All other terms and conditions of employment not explicitly modified/abridged by this Agreement shall remain in full force and effect. Proposed changes shall be subject to the Entire Agreement provision of this Agreement. Any changes to Local Rules shall be subject to the Meyers-Milias-Brown Act.

### **1.5 EMPLOYEE RIGHTS – FREEDOM FROM DISCRIMINATION**

The District will not interfere with, restrain, coerce, or discriminate in any way against any employees by reason of their membership in the Union or for any activity required or sanctioned by the Agreement. In no event shall District refusal to divulge confidential management information or documents to any member of the Union because of such employee's membership in the Union be deemed discrimination.

The Union recognizes its responsibility as the designated bargaining agent and agrees to represent employees in represented classifications as listed in Appendix A, without discrimination or interference.

### **1.6 ENTIRE AGREEMENT**

- 1) The parties acknowledge that during the negotiations which resulted in this Agreement, each had unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

- 2) Any other prior or existing understanding(s) or agreement (s) by the parties, whether formal or informal, regarding any such matters are hereby superseded. Except as provided in this Agreement, it is understood that each party to this Agreement voluntarily waives its right to negotiate with respect to any matter raised in negotiations or covered in this Agreement.
- 3) With respect to other matters within the scope of negotiations, negotiations may be required as provided in subsection 14.2 below.

## **ARTICLE 2 UNION RECOGNITION AND DUES**

### **2.1 RECOGNITION**

The District has certified and exclusively recognizes Teamsters Local 150 as the bargaining representative for those represented classifications, within the Parks and Golf Operations Division listed in Appendix A attached or subsequently added thereto by reference as part of this Agreement. Such represented classifications shall hereinafter be referred to as the "Unit".

### **2.2 REPRESENTATION**

The Union shall represent newly hired employees in the Unit for the purposes of collective bargaining with respect to wages, hours of work, and conditions and terms of employment.

(a) In accordance with Assembly Bill (AB) 119, the District shall provide the Union i) not less than 10 days' notice in advance of new hire employee orientation, and ii) within 30 days of hire or by the first pay period of the month following hire a list containing the following information on file from the District's Human Resources database system:

1. Name;
2. Job title;
3. Department;
4. Work location;
5. Personal cellular telephone numbers, including work and home;
6. Personal email addresses as provided by the new hire employee; and
7. Home address.

The above information shall be updated and provided to the Union at least every 120 days for all bargaining unit members.

### **2.3 PAYROLL DEDUCTION OF UNION DUES**

#### **Union Membership Dues and Payroll Deductions**

(a) In accordance with the Senate Bill (SB) 866, the parties agree to the following process for making, cancelling, or changing payroll deductions for Union membership dues.

(b) As certified in writing by the Union to the District in a manner consistent with the requirement of (SB) 866 the District will deduct the monthly Union membership dues, initiation fees, general assessments and payments for membership benefits programs sponsored by the Union from the salary or wages of all bargaining unit employees who

voluntarily authorize such deductions, as certified in writing by the Union to the District, and pay such amounts to the Union.

1. All employee requests to cancel or change membership dues deductions shall be directed to the Union.
2. The District shall rely upon written notification from the Union for any and all employee requests to cancel or change payroll deductions for membership dues.
3. The Union is responsible for obtaining and maintaining voluntary written authorization for membership dues deductions.
4. Membership dues deductions shall automatically renew unless written notice is provided by the authorized representative of the Union certifying a change in membership dues.
5. The District shall honor any changes to membership dues deduction amounts provided by the Union.
6. The Union is not required to provide a copy of individual employee authorizations to the District unless a dispute arises about the existence or terms.
7. Deduction notification will be provided to HumanResources@CosumnesCSD.gov
8. Changes, and/or cancellations, received by the District prior to the 15th of the month will be processed no later than the first pay period of the second month. Example: Union notifies the District on January 15th; the deductions will be effective no later than the first full pay period in March. The parties recognize there is a lapse in time due to pay period processing constraints. The District will make every effort to process earlier if possible.

(c) Hold Harmless Provision

The Union shall indemnify, defend, and hold the District harmless against any claims made and/or any suit against the District which may arise as a result of its deductions for membership dues or other programs sponsored by the Union.

## **ARTICLE 3 UNION RIGHTS, UNION STEWARDS AND UNION REPRESENTATION**

### **3.1 RECOGNITION**

The District recognizes and agrees to deal with the designated Union Stewards and Representatives of the Union in all matters relating to grievances. An employee may request and be granted Union representation during an investigatory interview when he or she has a reasonable belief that discipline, or other adverse consequences may result.

### **3.2 OFFICER AND STEWARDS LIST**

A written list of the Officers of the Union (Executive Board Members) and the Union Stewards, with the specific areas they represent, shall be furnished to the District immediately after their designation, and the Union shall notify the District promptly in writing of any changes.

### **3.3 NUMBER OF REPRESENTATIVES**

The Union shall designate representatives to attend meetings for the purpose of meeting and conferring.

### **3.4 MEETING TIMES, PROCEDURES, AND PURPOSES**

Representatives of the Union shall be entitled to meet and confer with District officials during regularly scheduled working hours, for reasonable periods or otherwise as specifically provided in this Agreement without loss of pay or time. However, employee representatives shall not leave their duty station or assignment without the specific prior approval of their first-level supervisor outside of the bargaining unit or, if the latter is not reasonably available, their next higher supervisor. This shall not restrict Management and the Union from meeting during non-working hours if they agree to do so.

### **3.5 NUMBER OF STEWARDS**

There shall be a maximum of 1 Union Steward assigned per unit. Any change in the number of Stewards shall be made available to the District.

### **3.6 INVESTIGATION OF A GRIEVANCE**

Upon the request of the aggrieved employee, a Steward or Union Officer may investigate the specified grievance, provided it is in his/her unit, and assist in its presentation. The Steward or Union Officer and the employee shall be allowed reasonable time for these activities during working hours without loss of time or pay, subject to prior notification and approval of the first level of supervision outside the bargaining unit, or if the first level supervisor is unavailable, the next higher level of supervision. Such approval shall not be unreasonably withheld.

### **3.7 GRIEVANCE MEETINGS**

Grievance meetings between the District and an employee or group of employees shall allow for a reasonable period of time for each party to represent its position. In most cases, one (1) hour should be sufficient for such meetings. The aggrieved employee may request Union Steward representation in any such meetings.

### **3.8 COPY OF AGREEMENT**

The District shall furnish newly hired employees covered by this Agreement with a copy of the Agreement. The District will provide each employee with a letter from the Union, if one is provided.

### **3.9 BULLETIN BOARDS**

Upon mutual agreement between an authorized Union representative and the District, Union bulletin boards may be installed where they are accessible to employees. The Union shall reimburse the District for any costs incurred.

A copy of all materials posted must be distributed to the Human Resources Director prior to posting. The Union agrees that any literature posted or distributed on site will not be libelous, obscene, defamatory, or of a partisan political nature.

### **3.10 NOTICE**

## **ARTICLE 4 MANAGEMENT RIGHTS**

The District retains all rights to manage, direct, and control its business in all particulars, except as such rights are expressly and specifically modified by the terms of this Agreement or any subsequent amendment. Those rights include, but are not limited to, the following:

- To determine the merits, nature, extent, or organization of any service or activity conducted, as well as the right to determine and implement its public functions and responsibilities.
- To direct employees of the District.
- To hire, promote, transfer, and temporarily or permanently assign employees.
- To lay off employees due to lack of work, lack of funds, or any other reason(s) deemed necessary by the District for its efficient administration.
- To reprimand and/or counsel employees orally and in writing.
- To demote, suspend, or discharge permanent employees for just cause.
- To determine the District budget, the number of employees, the level of staffing and the methods and technology required to perform its work.
- To take whatever action may be appropriate to carry out its mission in situations of emergency.
- To contract or subcontract construction, services, maintenance, distribution, or any other work with outside public or private entities, so long as it is not undertaken for the purpose of implementing a layoff and no bargaining unit employees are on a lay-off status.
- To publish such reasonable rules, regulations, and/or policies that the District judges appropriate. This shall include the modification or repeal of existing rules, regulations, or policies. The District agrees that it will provide notice of such changes to the Local Union representative(s) or designee and, if requested, will meet and discuss with the Union regarding the impact of any change(s) to wages, hours, or terms and conditions of employment.

## **ARTICLE 5 COMPENSATION AND HOURS OF WORK**

### **5.1 WAGES**

Employees shall be compensated in accordance with the salary schedule, which is attached as Appendix "B".

Most new employees and promoted employees are appointed to Step 1 of the salary schedule for their classification. Appointments at a step higher than Step 1 is at the sole discretion and approval of the Department Head and will be based on the employee's experience and education. Appointments above Step 4 must be approved by the General Manager.

Salary Adjustments:

- a. Retroactive to July 1, 2025, the 10% salary-based certifications will be removed, and the 10% will be added to the base salary. Concurrently, all classes will receive a 3% base salary increase.
- b. Effective July 1, 2026, all classes shall receive a 3% base salary increase.
- c. Effective July 1, 2027, all classes shall receive a 3% base salary increase.

### **5.2 OVERTIME AND COMPENSATING TIME OFF**

In accordance with the Fair Labor Standards Act (FLSA), authorized time actually worked in excess of 40 hours per work week by non-exempt employees is considered overtime. Such time will be recorded as overtime and compensated at time and one-half.

All overtime, with the exception of that required for emergency situations, must be approved in advance by the employee's supervisor. In lieu of payment, an employee may request Compensatory Time Off (CTO). Whenever possible, this request should be made before working overtime and approved by the employee's supervisor.

An employee may not accrue CTO in excess of 40 hours. The Department Head may approve exceptions up to 80 hours. Once the CTO limit is reached, any authorized overtime will be compensated monetarily. All accrued Compensating Time Off will be cashed out annually. The CTO balance as of June 30<sup>th</sup> will be cashed out and paid on the July 10<sup>th</sup> paycheck at the employee's June 30<sup>th</sup> rate of pay.

The parties recognize the District's right to schedule abnormal work weeks; however, the District will continue its practice of not giving an employee a day off during their regular work week in order to do emergency work on Saturdays or Sundays.

### **5.3 HOLIDAY PAY**

Permanent full-time employees who work a District recognized holiday will earn the rate of one and one-half (1½) times the hourly rate and are compensated by pay and holiday credit.

### **5.4 OVERTIME ASSIGNMENT BASED ON SENIORITY**

When the use of overtime is necessary for non-critical work, such work will be offered on a seniority basis. If no employees accept the overtime, it will be assigned to the employee with the least seniority.

However, the Union recognized the District's right to require overtime or the completion of work in progress by the employee performing the work at the time the determination was made that overtime was necessary.

## **5.5 CALL-BACK COMPENSATION**

A non-exempt employee who is called in to perform work on a day which is not a regularly scheduled work day or who is called back to work after working a regular shift shall be paid for a minimum of two hours but may be required to work for the full two (2) hour period. After the first two (2) hours, additional time shall be accrued in quarter hour (fifteen (15) minute) increments. The rate of compensation shall be regular pay or overtime, depending on the total hours actually worked for the work week.

A non-exempt employee who responds to a call for assistance outside normal working hours but does not require returning to work shall be paid for the time spent responding to the call rounding up to the nearest quarter hour (fifteen (15) minutes). The rate of compensation shall be regular pay or overtime, depending on the total hours worked during the work week.

## **5.6 STANDBY DUTY**

When warranted and in the interest of the District's Park Operation, department heads or their designee may assign employees to Standby Duty status.

Employees assigned to Standby Duty shall receive a stipend in the amount of sixty dollars (\$60) per day for each workday and ninety-six dollars (\$96) per day for each non-workday assigned outside of normal work hours.

Employees not eligible to receive Specialty Pay as defined in Section 5.10 below, and assigned to Standby Duty for Aquatics, shall receive a stipend on the amount of seventy-five dollars (\$75) per day for each workday and one hundred twenty dollars (\$120) per day for each non-workday assigned outside of normal work hours.

Standby Duty shall not be considered time worked for the purposes of calculating overtime for the work week. If eligible for overtime as defined in Section 5.2 above, an employee shall earn time and one-half (1-1/2) for actual time worked.

A. Standby Duty requires the assigned employee:

- i. To be ready to respond immediately to calls from the District to report to work, and provide service;
- ii. To be reachable at all times by telephone;
- iii. To remain within a reasonable distance of the work location (normally, no more than 1 hour);
- iv. To not participate in any activity which might impair the ability to perform assigned duties;
- v. With supervisor approval, employees on standby shall have the option to trade their assigned standby duty with another qualified employee in the same unit or division;
- vi. Standby shall be assigned to two (2) people per 24-hour period.

## **5.7 CERTIFICATION PAY**

Possession of the certifications listed in Appendix D shall qualify for additional compensation.

Certification Pay provisions and process:

- a. Certification is for duties required by the District and approved by the Department Head or designee.
- b. All costs associated with obtaining and maintaining certifications shall be the responsibility of the employee, with the exception of legally mandated certifications. Currently, the Confined Space, Forklift Operator, and Aerial Lift certifications are legally mandated.
- c. Employees may apply for district-paid tuition reimbursement as outlined in District Policy 3335 to fund some or all of a certification program.
- d. The District acknowledges that some classes required to obtain certifications may occur during an employee's normal work schedule. The District may provide flexible work scheduling and/or approval of vacation/CTO to accommodate an employee's class schedule.
- e. The maximum flat rate amount of Certification Pay an employee can receive is \$300 per month.

## **5.8 BILINGUAL PAY**

The Department Head may assign designated employees to receive a \$100 per month bilingual pay. Such assignment shall be in writing and must be renewed on an annual basis. To be eligible to receive bilingual pay, an employee must:

1. Speak one of the recognized languages spoken in the District's metropolitan area.
2. Agree to utilize his/her bilingual ability on the job.
3. Demonstrate bilingual proficiency satisfactory to an evaluating agency/individual.
4. Agree to maintain the necessary training and certification standards established by the District to continue to receive the bilingual pay.

Employees receiving bilingual pay shall renew their certification once every three years. Failure to obtain recertification will result in the loss of bilingual pay. All employees receiving bilingual pay shall have their bilingual performance included as part of the employee's performance evaluation. Performance that falls below "meets expectations" may result in the employee losing bilingual pay.

## **5.9 LONGEVITY PAY**

Regular full-time employees who have been employed continuously by the District for specified periods of time shall receive longevity pay. Pursuant to California Code of Regulations Section 571 for classic members, and Section 571.1 for new members under PEPRA, longevity pay is subject to CalPERS approval as reportable compensation.

**5.9.1** Each bargaining unit employee shall receive a longevity pay incentive as set forth below. These percentages are not cumulative.

- Two percent (2%) of base salary after 10 years of continuous service to the District.
- Four percent (4%) of base salary after 15 years of continuous service to the District.
- Six percent (6%) of base salary after 20 years of continuous service to the District.

**5.9.2** The entire longevity pay incentive shall not exceed a maximum of six percent (6%) of base salary for an eligible bargaining unit employee.

**5.9.3** Service shall be defined as the date the employee became eligible for PERS membership in the District.

## **5.10 SPECIALTY PAY**

**5.10.1** Regular full-time employees represented by this bargaining unit assigned in writing to perform regular Aquatics or Irrigation maintenance-related duties are eligible to receive Specialty Pay of \$150.00 per month. For purposes of this Section 5.10.1, “regular Aquatics or Irrigation maintenance-related duties” shall mean that such duties are a core and ongoing part of that employee’s job duties and constitute forty-five percent (45%) of that employee’s job duties.

**5.10.2** The specialty pay described in 5.10.1 above shall apply to those who work at Elk Grove Park and are assigned irrigation maintenance-related duties. The assignment of irrigation-related duties shall be limited to no more than one (1) Park Maintenance Supervisor and one (1) Park Maintenance Worker, Sr. Assignments shall be made at the sole discretion of the Administrator of Parks and Recreation or their designee.

## **5.11 WORK SCHEDULE FOR NON-EXEMPT EMPLOYEES**

All employees will be assigned a work schedule by their supervisor. This schedule may be changed, at the sole discretion of the supervisor and Department Head, to meet the needs of the District. With the exception of an emergency circumstance, 10 working days advance notice shall be provided to the employee whose schedule is being changed.

Each employee shall report and be ready for work according to his/her assigned schedule unless prior approval from the supervisor has been granted. Any employee who is unable to report for work on any particular day must, under all but the most extenuating circumstances, contact his/her supervisor as soon as possible. The employee shall make all attempts to ensure contact is made no later than 30 minutes prior to the scheduled starting time. This contact must be made using the most appropriate communication method for the section/division in which the employee is assigned. Individual supervisors may request this contact via phone, email, or another specified communication method. Regardless of the communication method used, the employee shall leave their contact information so that the supervisor can return the message.

## **5.12 STANDARD WORK WEEK SCHEDULES**

The Standard work week for a non-exempt employee for payroll purposes is Sunday through Saturday and consists of 5 eight-hour days. Some District employees may work alternative work schedules set up and/or approved by their Department Head or designee.

## **5.13 FLEXIBLE WORK SCHEDULES**

Because there are evening and weekend activities which require the presence of District

employees, the District may implement flexible work schedules. Any such schedule shall comply with applicable state and federal laws. Proposed flexible work schedules must be approved by the Department Head prior to implementation. Approval is dependent upon the operational needs of the District.

#### **5.14 ALTERNATIVE WORK SCHEDULES**

Alternative Work Week Schedules are not flexible but may be adopted as a result of Department Head approval and election by all the affected employees within the division or work unit requesting the schedule. Any such schedule shall comply with applicable state and federal laws. The most common alternative work schedules in the District are 9/8/80 or 4/10. Any alternative work schedule can be cancelled due to operational needs.

The 9/8/80 work schedule revises an employee's work schedule so that he/she works 80 hours in nine days over a two-week period. The employee will work eight nine-hour days and one eight-hour day during the two weeks, with an additional day off when compared to the traditional work schedule.

The 4/10 work schedule revises an employee's work schedule so that he/she works 40 hours in four days within a one-week period. Usually, the employee will work four ten-hour days with an additional day off when compared to the traditional work schedule.

Employees should contact their Department Head for further information on establishing an Alternative Work Week Schedule.

#### **5.15 HOLIDAY AND ALTERNATIVE WORK SCHEDULES**

Non-exempt employees working an approved alternative work schedule (9/8/80 or 4/10 schedule) must make arrangements to supplement the difference between the eight-hour holiday and the number of hours worked on the alternative schedule so as not to incur a loss of pay. Options to supplement the hours include using accrued vacation or Compensating Time Off (CTO) hours, or working the additional hours during the same work week. All options require the pre-approval of the supervisor.

If a holiday falls on a normal day off during the alternative work schedule, the employee shall be permitted to take a corresponding alternate day off from work. The alternate day off must be taken in the same work week and must be preapproved by the supervisor.

#### **5.16 REST PERIODS**

The District provides rest periods to employees, subject to operational needs, although the District is exempt from the requirement to provide rest periods under the California Labor Code. In most cases, employees may take periods of rest during the regular workday, consisting of a 10-minute rest period in the first half of their shift and another 10-minute rest period in the second half of their shift.

Employees are responsible for making sure they take their breaks.

Employees who cannot take breaks midway through the morning and the afternoon because of workflow or other reasons may take breaks at another time during that shift, subject to the following restrictions:

Rest periods shall be scheduled in accordance with the requirements of the nature of the work assignment, but in most cases shall not be scheduled within one hour of the beginning or ending of a work shift or lunch period.

Rest periods may not be combined to increase the duration of the lunch break or to end the shift earlier.

Supervisors may designate the locations at which rest periods may be taken. Rest periods begin when the employee stops work and end when the employee returns to work, not upon arrival at a location other than the workstation or job site.

## **5.17 LUNCH PERIODS**

The District provides lunch breaks to employees, although the District is exempt from the meal break parameters under the California Labor Code. The duration and timing of meal breaks shall be established by the supervisor based on the operational needs of the section/division. An unpaid lunch break of not less than 30 minutes and up to 60 minutes shall be provided, subject to operational needs. It shall be scheduled, to the extent reasonably possible, in the middle of the employee's work shift. Lunch breaks begin when the employee stops work and end when the employee returns to work, not upon arrival at a location other than the workstation or job site. Employees are responsible for ensuring that they take their designated lunch break.

## **ARTICLE 6    HEALTH AND SAFETY**

The District will comply with Federal and State Health and Safety Laws and Standards applicable to the District and with District rules and regulations. The District agrees to use reasonable efforts to ensure that all work is performed in a safe and healthful manner consistent with the requirements of the work to be performed.

### **6.1    DISTRICT SAFETY COMMITTEE**

The Teamsters Locals 853/150 may designate one (1) employee representative to the District Safety Committee.

### **6.2    CHEMICALS**

Any chemical application considered safe under the guidelines of the Injury and Illness Prevention Program shall be deemed acceptable.

### **6.3    EMPLOYEE RIGHTS AND RESPONSIBILITIES**

- 1) District employees have the right to refuse to perform work that would violate applicable Federal and State Health and Safety Laws or work that would pose a real safety hazard to the employee's safety or health or where the employee reasonably deems the work to be unsafe due to a lack of training and/or experience.
- 2) District employees are responsible for obeying all occupational safety and health standards, rules, regulations, and orders issued according to the law.
- 3) A worker may not be fired or punished in any way for complaining to Cal OSHA or using any other right listed above.

### **6.4    FACILITY CLOSURES**

Situations may arise that pose a serious risk to the health, safety, or security of District staff, program participants, and others that necessitate closing an individual or multiple District buildings or park facilities. Examples include the following: threats to persons or property; a recommendation by civil authorities; a public utilities failure, including the failure of a gas, electric, water, or sewer system, or a natural disaster.

## 6.5 WORKERS' COMPENSATION AND JOB INJURY LEAVE

Employees are protected by Workers' Compensation insurance while employed by the District, effective the first day of employment. The policy covers employees in case of occupational injury or illness. The District pays the full cost of this coverage.

### 6.5.1 Reporting a Workers' Compensation Injury or Illness

Any employee who sustains a work-related illness or injury must immediately report it to their supervisor and, if possible, together with the supervisor, call the Company Nurse On Call line. The supervisor must provide the injured or ill employee an Employee's Claim for Workers' Compensation Benefits form for completion as soon as possible. The injury or illness must be reported no later than 24 hours after the occurrence. Failure to do so could result not only in a delay of benefits but also in corrective action for failing to comply with this mandatory policy.

### 6.5.2 Workers' Compensation Benefits

- 1) **Medical benefits** - Medical benefits include all medical and hospital benefits reasonably necessary to cure or relieve from the effects of the injury. Any employee with a legitimate work-related injury that requires medical attention will be eligible for benefits. These benefits can be awarded into the future as needed.
- 2) **Temporary Disability** - If the employee injury or condition requires an absence of more than 3 days of work or causes hospitalization, temporary disability benefits will be established. These benefits are usually paid bi-weekly and will be sent directly from the Workers' Compensation insurance carrier. Temporary disability is paid at the rate of two-thirds of the employee's average weekly earnings.
- 3) **Permanent Disability** - If the employee's injury or condition results in some permanent impairment, he/she may be eligible for Permanent Disability. The amount is determined by a complex formula that reduces the disability as described by the doctor to a percentage. Workers' Compensation benefit payments may be coordinated with any accrued leave benefits as part of a medical or disability leave of absence. For more information on coordinating these benefits, please contact Human Resources.

### 6.5.3 Pre-Designation Notice

Employees seeking treatment due to a work-related injury or illness will be referred to the District designated clinic unless Human Resources has received a written pre-designation notice signed by the designated health care provider. This notification must have been submitted prior to any injury. The Pre-Designation Notice form is found on the District Intranet under the Human Resources tab.

### 6.5.4 Medical Updates

Employees are responsible for providing their supervisor or Human Resources with an update on their anticipated return or potential restrictions immediately following each medical visit.

### 6.5.5 Workers' Compensation Fraud

California law makes it a crime to knowingly file a false or fraudulent claim for Workers' Compensation benefits, or to knowingly submit false or fraudulent information in connection with any Workers' Compensation claim. Violation of this law is punishable by imprisonment of up to five years, substantial fines, or both. Filing a false or fraudulent Workers' Compensation claim is also a violation of District policy and will result in corrective action, up to and including termination.

### **10.2 UNPAID STATUS**

As allowed under the FMLA, CFRA, or PDL, or with the approval of the General Manager, the employee may remain in unpaid status with the District once their accrued leave (i.e., sick, vacation, CTO) balances have been exhausted, or in some cases, accrued leave balances are not being utilized.

Employee leave accruals, such as vacation and sick leave, will be suspended during unpaid leaves and will resume upon the employee's return to a paid status.

Under approved state and federal mandated leaves, the District is required to maintain medical coverage under the same conditions it would have been provided if the employee continued to work.

Employees in an unpaid status must reimburse the District for any portion of benefits that would have been paid through payroll deduction. If the District does not receive the reimbursement within 30 days, the District can cancel any policies and/or plans for which you have not been reimbursed. Employees who wish to continue non-health benefits (e.g., life insurance) during an unpaid leave of absence should make arrangements for payment with Human Resources.

### **10.3 RETURN TO WORK**

The District will attempt to accommodate employees returning to work from injuries or illnesses with short-term “modified or light duty” assignments, when practical. The District shall have sole authority to determine whether the employee shall return to work, considering the extent and nature of the work restrictions imposed by the health care provider, the anticipated duration of the restrictions, the availability of modified duty assignments, and other relevant considerations.

### **10.4 RETURNING FROM A LEAVE OF ABSENCE**

Employees shall keep the District informed of their anticipated return dates and any changes in their status. When returning from an approved leave, employees must notify their supervisor as soon as they become aware of their scheduled return date.

Returning after leaves regulated by law will be in accordance with applicable state and federal laws in effect at that time.

### **10.5 TERMINATION DURING A LEAVE OF ABSENCE**

Employees will be terminated during a leave of absence for any of the following reasons:

- 1) Notice of intent to resign or demonstration of intentions not to return to work is given;
- 2) Employee fails to return to work within the time specified for the leave without having obtained a District-approved extension of the leave;
- 3) Employee fails to accept his/her former position upon return, or if not available, another position for which they may be reasonably qualified;
- 4) Employee accepts other employment at any time during the leave of absence;
- 5) Employee’s position no longer exists at the conclusion of his/her leave. The employee will be entitled to the same considerations afforded to other employees whose positions have been abolished; or
- 6) It is discovered after the leave begins that the employee obtained approval for the leave under false pretenses.

### **10.6 ABSENCE WITHOUT APPROVED LEAVE**

Any unauthorized, unapproved absence by an employee, without extraordinary extenuating circumstances that can be verified, shall be grounds for disciplinary action and/or termination. If verifiable extenuating circumstances are found to have existed, the Department Head may approve the absence as an authorized leave without pay.

Any employee who is absent without approved leave for more than three consecutive scheduled work days is considered to have abandoned his/her employment, voluntarily terminating the position without notice. The District will consider the last day on which the employee actually rendered service as the date of separation. The District shall serve notice of the separation by certified mail or personal service to the employee’s last known address and provide appropriate appeal process notification should the employee wish to appeal.

An employee who is absent for less than three consecutive scheduled workdays without notice, approval, and verifiable extenuating circumstances will be subject to disciplinary action up to and including termination of employment.

## **10.7 ABSENCE FOLLOWING EXPIRATION OF LEAVE**

Employees who do not return to work upon the expiration of an approved leave of absence shall be considered as having voluntarily terminated their employment without notice. The separation date will be the date of the expiration of the approved leave.

## **10.8 TYPES OF LEAVES OF ABSENCE**

### **10.8.1 Jury Duty Leave**

Employees shall notify their supervisor in a timely manner when a notice for jury duty is received.

Employees who have the option to request call-in juror status shall exercise that option. While on "standby," employees are required to report to work. When an employee is duly summoned to report for jury service during scheduled work hours, s/he will be released from scheduled work duty for those periods required to meet the jury service obligation. If work time remains after any day of jury selection or jury duty, the employee is expected to return to work for the remainder of such work schedule. Employees must keep their supervisor informed of their jury duty status on a daily basis.

When an employee is duly summoned to report for jury service and/or impaneled on a jury, s/he will be granted leave from his/her work schedule without loss of wages and benefits for all the time required to meet the Jury Duty obligation. The employee shall remit to the District all fees and allowances payable for such service, less reimbursements from the court for meals, travel, or lodging.

Employees must provide the District with the Juror Validation, as provided by the Court, certifying service as a juror or appearance in court for that purpose, indicating the times and date(s) of attendance.

Employees shall not be allowed to use paid jury duty leave to serve on a County Grand Jury since such service is voluntary. Employees may, however, use accrued vacation for this purpose, dependent upon supervisory approval.

### **10.8.2 Bereavement Leave**

A full-time or part-time employee shall be eligible for up to five (5) days within a three (3) month period, which does not need to be taken consecutively, of bereavement leave taken from, at the employee's discretion, any of the following banks with available leave sick leave, vacation leave, floating holiday, or CTO banks for the purpose of arranging and/or attending the funeral of a member of the employee's immediate family.

Additional compensated time in excess of the five (5) day periods may be taken by an employee with prior approval of his/her Department Head upon concurrence by

the supervisor. If there is insufficient accumulated time, the supervisor may grant the employee leave without pay.

At the discretion of the supervisor and/or Department Head, proof of death may be required before such leave is authorized. The name of the family member, relationship, should be included on the leave request. Bereavement leave for family members not included in the definition of "immediate family" may be approved in special circumstances, at the discretion of the General Manager.

#### **Immediate Family Member Defined**

For the purposes of bereavement leave only, immediate family member includes spouse, registered domestic partner, child, step-child, mother, father, step-mother, step-father, mother-in-law, father-in-law, sister, brother, sister-in-law, brother-in-law, daughter-in-law, son-in-law, grandparent (of either the employee or the spouse), or any relative domiciled in the employee's household.

#### **10.8.3 Leave for Non-Work Related Court Appearances**

Employees who are subpoenaed or required to appear in court for non-District related reasons shall immediately notify the supervisor of such subpoena or court appearance. Employees may use any accrued leave benefit, except sick time, for such absence or, if none is available, take unpaid leave.

#### **10.8.4 Leave for Work-Related Court Appearances**

Employees who are subpoenaed or required to appear as a witness in any judicial proceeding for District-related business shall be given leave of absence with pay at their regular rate for time called to serve up to their normal scheduled hours, provided the employee remits to the District fees paid by the subpoenaing party, excluding mileage and parking reimbursement. Travel time, in excess of the employee's routine daily commute to and from work, shall be considered time worked and will be compensated. The District will not compensate the employee for meal expenses during the period. Employees shall immediately notify their supervisor of such subpoena or appearance.

#### **10.8.5 Domestic Violence Leave**

An employee who is the victim of domestic violence may take unpaid leave or use accrued leave to ensure his/her health, safety, or welfare, or that of his/her child, by obtaining a temporary restraining order, a restraining order, or other court assistance. Additionally, an employee may take leave to seek medical or psychological treatment, to obtain necessary social services, and/or to participate in safety planning or take other actions to increase safety. The employee must provide reasonable notice of the need for such leave.

Employees may discuss the need for this leave with their supervisor, Department Head, or Human Resources. Employees will be required to provide satisfactory evidence of participation in one or more of the activities specified. The employee may not take more than 12 weeks of leave for this purpose in a 12-month rolling period.

#### **10.8.6 Personal Leave**

Full-time employees may apply for an unpaid personal leave of absence for a period not to exceed (4) four calendar months. The Department Head shall recommend approval or denial; however, the General Manager has sole discretion to grant or deny such leave. This leave is strictly reserved for extenuating circumstances in which an employee is unable to resolve through any other means.

When possible, an employee shall request the personal leave in writing to his/her supervisor not less than 30 days prior to the date the leave is to commence. The notice shall specify the reason for the request and, to the extent possible, the beginning and ending dates of the leave.

An employee on an unpaid personal leave of absence does not accrue seniority or any earned benefits, and is not compensated for any holidays that may occur during the unpaid leave. The employee may elect to continue health and/or non-health benefits during an unpaid personal leave; however, the employee must reimburse the District for both the employer contribution plus any portion of benefits they would have paid through payroll deduction. Such reimbursement must be received by the District within 30 days of the date of the invoice or written notification. If the District does not receive the reimbursement from the employee within 30 days, the District can cancel any policies and/or plans for which they have not been reimbursed.

#### **10.8.7 Sick Leave**

District Policy 3310. Holiday, Vacation, and other leaves will be applicable to all full-time employees in this bargaining unit.

## ARTICLE 11 DISCIPLINE

The use of these discipline procedures serves to inform the employee that his/her conduct or performance is below standard, to provide warning and counseling, and to plan a course of action to resolve the problem. It is in the best interests of the District to ensure fair treatment of all employees and to ensure all adverse actions are prompt, fair, and uniformly applied and documented.

It is the policy of the District that any employee who violates any of the District rules and regulations, standards of employee conduct, or whose job performance is unsatisfactory may be given the opportunity to correct the behavior and improve performance.

Normally, the employee's immediate supervisor will administer any appropriate corrective or disciplinary action. Appropriate action will be determined based on factors such as the nature of the incident, its severity, the frequency of the violation, and the employee's overall work record before any adverse action is taken. The employee's supervisor, Department Head, or General Manager reserves the sole right to determine the appropriate level of preventive, corrective, or disciplinary action appropriate for any situation as specified below.

### 11.1 DISCIPLINE PROCESS

#### Coaching and Counseling – Preventive and Corrective Actions:

The Coaching and Counseling phase is to provide the employee with information that will either prevent potential violations or correct them once it has been noted. As with all disciplines, it is meant to improve the employee's performance on the most informal basis possible. Coaching and counseling include both verbal coaching and written warnings.

- **Verbal Coaching (On-the-spot Corrective Action)**

Verbal coaching may take place between the employee and supervisor in situations that are deemed less serious in nature. The employee will be given an explanation of the infraction and corrective action required, an opportunity to explain, and notification that further offenses will result in more serious consequences.

- **Written Warning**

A written warning is more serious than a verbal coaching. It may be for the same behavior, or it may be for different, more serious behavior. If the warning is given verbally, it will be followed up with written documentation of the conversation that has taken place.

An employee will be given a written warning when a problem is identified that justifies a more serious response, or the employee engages in unacceptable behavior. The employee will be given an explanation of the infraction and corrective action required, an opportunity to explain, and notification that further offenses will result in more serious consequences.

Documentation of the warning shall be made on the Employee Counseling Report (available on the District Intranet). One copy will be given to the employee, and

one copy will be placed in the supervisor's working file for later review and follow up.

### **Disciplinary Action**

Discipline is intended to provide an employee with an additional chance to improve the behavior in question before adverse actions are taken. As a sign of the increasing seriousness of the action, this documentation is filed and retained in the employee's official personnel file.

- Written Reprimand:

A written reprimand is more serious than a warning. A written reprimand will be given when an employee engages in conduct that justifies a more formal level of response, or the employee engages in unacceptable behavior for which a written warning has already been received. The employee will be given an explanation of the action and corrective action required, an opportunity to explain, and notification that further offenses will result in more serious consequences. Documentation of the written reprimand shall be made on the Employee Counseling Report (available on the District Intranet). One copy will be given to the employee, one copy shall be retained by the supervisor, and one copy will be placed in the employee's personnel file. A written reprimand becomes a permanent record in the employee's personnel file.

### **Adverse Action**

- Unpaid Suspension/Demotion/Reduction in Pay:

Suspensions, demotions, or temporary reductions in pay are issued when it is determined that an employee has continued to engage in unacceptable behavior after repeated notifications by the District that the behavior needs to improve, or that an initial incident is too severe for lesser level of discipline, yet not sufficiently severe for termination.

All three types of actions are considered in light of the facts of each situation when determining the appropriate course of discipline. The terms of the unpaid suspension, demotion, or reduction in pay will be set according to the severity of the offense or deficiency at the determination of the Department Head and/or General Manager. The employee will be given written notice of the proposed suspension, demotion, or reduction in pay (see Notice of Proposed Adverse Action). Copies of all documentation, including the Employee Counseling Report, will be placed in the employee's personnel file once all due process appeals are complete.

- Termination:

As the final step of the disciplinary process, termination of the employee will occur when an employee fails to correct work performance or behavior issues identified in previous steps of discipline. In addition, termination may immediately occur when an employee engages in severe offenses. For example, employees who engage in workplace violence or harassment, or who use alcohol or illegal drugs during their shift, may be subject to termination without warning or suspension, even if this is their first offense. The employee will be given written notice of the proposed termination (see Notice of Proposed Adverse Action). Copies of all documentation, including the Employee Counseling Report, will be placed in the

employee's personnel file once all due process appeals are complete.

## **11.2 REBUTTAL TO DISCIPLINARY DOCUMENTATION PLACED IN PERSONNEL FILE**

The employee shall have the right to submit a written response to any written disciplinary documentation placed in his/her personnel file. The written response must be received within 14 calendar days of receiving the written documentation for the employee's personnel file.

## **11.3 NOTICE OF PROPOSED ADVERSE ACTION**

Before discipline constituting an adverse action is imposed, written notice of the proposed adverse action shall be given to the employee. Such notice shall include a statement of the proposed action, the charge(s) on which the proposed action is based on a summary of the facts supporting the charges, and notification that the employee is entitled to respond to the charges with instructions and time frames for doing so. Attached to the notice will be copies of the written documents relied upon for the proposed adverse action. The District has the option of making such documents available for review by the employee, rather than attaching them to the notice.

Delivery in person or the depositing of a postage-paid, return/receipt requested, first-class letter in the United States mail addressed to the employee's last known place of residence shall be notice.

## **11.4 SKELLY HEARING**

Prior to the implementation of the proposed adverse action, the employee shall have a right to file a written response to the above charges and/or make an oral response to an appropriate individual selected by the General Manager to hear the appeal within the time described in the written notice of proposed adverse action. At the District this individual is the Department Head or his/her designee.

The employee may be accompanied during this meeting by a representative of the employee's choosing. The District will record the meeting. This is not an evidentiary meeting, but merely an opportunity for the employee to present information as to why the discipline proposed is excessive or unwarranted.

## **11.5 NOTICE OF DECISION**

Following receipt and consideration of the written response and/or facts stated at the Skelly Hearing, or following no response by the required date, the Department Head and Human Resources Director shall jointly prepare a final notice of adverse action to be taken and the effective date. The notice shall be delivered to the employee and a copy filed in the employee's personnel file before the effective date.

## **11.6 RIGHT OF APPEAL**

For adverse actions, the employee shall have the right to appeal the decision of the Department Head to the General Manager. The appeal shall be presented to the General Manager within 14 calendar days following the employee's receipt of the written notice of discipline. All disciplinary appeals shall be in writing and shall be signed by the employee. Failure to appeal by the employee or his/her representative within 14 calendar days will make the adverse action final and binding. The General Manager may hear the appeal personally or, at the request of the Union, refer the appeal to an outside Hearing Officer for advisory arbitration. Costs for the advisory arbitration shall be split equally between the Union and the District.

The outside Hearing Officer does not need to be from State Mediation and Conciliation, but should be a person with a significant background in personnel issue resolution chosen by mutual agreement.

The appellant may be represented by any person he or she may select (who will not be a witness in the proceedings) and may produce relevant oral or documentary evidence. Specific advisory arbitration procedures will be up to the Hearing Officer, except that the hearing need not be conducted according to technical rules relating to evidence and witnesses. Hearings shall be closed unless the appellant files a written request for an open hearing at the time of lodging his or her appeal. The appellant shall personally attend the hearing. Unexcused failure of an appellant to appear at a hearing shall be deemed a withdrawal of the appeal.

If a Hearing Officer hears the matter, s/he shall provide the General Manager with an advisory recommendation. The advisory recommendation shall set forth which charges, if any, the Hearing Officer believes are sustained, and the reasons therefore. After receiving the recommendation of the Hearing Officer, or after due consideration if the appeal is heard by the General Manager, the General Manager may sustain or reject any or all of the charges filed against the employee. The General Manager may also sustain, reject, or modify the adverse action invoked against the employee. The General Manager shall give his/her written decision to the employee within 14 calendar days after the written recommendation from the advisory arbitration hearing is received, or within 14 calendar days after hearing the appeal personally. The decision will be accompanied by a proof of service to the employee's last address.

The decision by the General Manager shall be considered final and binding. This is the last administrative appeal available.

## **ARTICLE 12 GRIEVANCE PROCEDURE**

### **12.1 PURPOSE**

The purpose of the grievance procedure is to secure, at the lowest possible administration level, equitable solutions to problems that may arise. These proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

### **12.2 DEFINITIONS**

- 1) A "Grievance" is an alleged violation, misinterpretation, or misapplication of a specific provision of this MOU.
- 2) A "Grievant" is an employee covered by this MOU who has been adversely affected by the alleged grievance.
- 3) If the claim involves an alleged violation of Union Rights (Article 2 or 3), the Union may submit such grievance in writing to the Human Resources Director directly, and the processing of such grievance shall commence at Level II.
- 4) A "day" is any day that the central administrative offices of the District are open for business.
- 5) The term "immediate supervisor," as used throughout this Agreement, is the lowest level supervisor having immediate jurisdiction over the grievant(s) who has been designated to adjust grievances by the District.
- 6) Corrective or disciplinary actions, layoffs, rejection from probation, the content of performance evaluations, and withholding of merit increases are not subject to the grievance process.

### **12.3 INFORMAL LEVEL**

Before filing a formal written grievance, the grievant shall attempt to resolve it by informal conference with his/her immediate supervisor within ten (10) days after the grievant knew or should reasonably have known of the alleged violation of this Agreement.

### **12.4 LEVEL I**

- 1) If not resolved to the satisfaction of the grievant at the informal level, the grievance may be presented, on the prescribed form, to the immediate supervisor within ten (10) days after the informal conference.
- 2) If the grievance arises from alleged action or inaction of the Board of Directors, or a member of the administration at a level above the immediate supervisor, the grievance shall be submitted to the Department Head or Human Resources Director directly and processing shall commence at Level II.
- 3) The immediate supervisor shall provide a written response to the grievant within ten (10) days after receiving the grievance.

- 4) At any time prior to issuance of the decision, either party has the right to convene a meeting to discuss the grievance. Both the grievant and the respondent may have one (1) representative present at such meeting.

## **12.5 LEVEL II**

- 1) If not resolved to the satisfaction of the grievant at Level I, the grievance may be appealed, in writing, to the Department Head within five (5) days after either receipt of the written decision at Level 1, or after the period of time for rendering a decision at Level 1 has elapsed if no written decision was rendered.
- 2) The Department Head or Human Resources Director shall investigate and provide a written decision to the grievant within ten (10) days after receiving the appeal. Either the grievant or the Department Head/Human Resources Director has the right to convene a grievance meeting to discuss the grievance

## **12.6 LEVEL III**

- 1) If a grievant is not satisfied with the decision rendered pursuant to Level II, or if no written decision has been rendered within ten (10) days, the grievant, with the concurrence of the Union, may appeal the decision to the Board of Directors.
- 2) The appeal shall include a copy of the original grievance; the decisions rendered at all previous levels; and a clear, concise statement of the reason for the appeal. It shall be submitted within twenty (20) days after the decision at Level II or after the period of time for rendering a decision at Level II has passed if no written decision was rendered.
- 3) The Board of Directors, at its sole option, will select one (1) of the three options set forth below:
  - a. The Governing Board may conduct a hearing, in open or closed session, subject to the requirements of the Brown Act.
    - At the hearing, the Governing Board may reopen the record for the purpose of receiving additional evidence necessary to resolve the grievance.
    - The Governing Board shall set the date of hearing not later than forty-five (45) days after receipt of the appeal. The grievant and the Union Representative shall be notified of the date of the hearing within ten (10) days after the first Board Meeting after the submission of the appeal; or
  - b. The Governing Board may determine that the grievance may be finally determined on the basis of the record presented to it and render such determination; or
  - c. A hearing officer may be designated by the Governing Board to hear the grievance and issue a recommended decision for adoption by the Governing Board.
    - The grievant and the Union Representative shall be notified of the date of hearing within ten (10) days after the first Board Meeting after the submission of the request.

- Upon receipt of the recommended decision, the Board may adopt, modify, or reject the recommendation. If the Board rejects the recommendation, it shall master the record and render its own decision.

4) The Governing Board shall issue its Decision and its Finding of Fact and Conclusions of Law within thirty (30) days of:

- a. the last date of the hearing; or
- b. within thirty (30) days after the first Board Meeting after the submission of the request if no hearing was conducted; or
- c. within thirty (30) days of submission of the hearing officer's recommended decision.

The Decision of the Governing Board shall be final and binding on the parties.

## **12.7 GENERAL PROVISIONS**

- 1) If the alleged grievance involves an order, requirement, or other directive, the grievant shall fulfill or carry out such order, requirement, or other directive, pending final decision on the grievance, unless there exists a clear and present danger to the employee.
- 2) Nothing contained herein will be construed as limiting the right of any grievant to discuss a grievance informally with his/her immediate supervisor or to have the grievance adjusted, prior to Level III, without intervention of the Union, provided the adjustment is not inconsistent with the terms of this Agreement.
- 3) If multiple grievances arise at Level II on the same issue, the District may elect to hear only the first written grievance filed at Level II. In such case, the decision rendered shall be applicable to all claims on the same issue which arose from the same set of circumstances.
- 4) Grievances shall be processed in a manner that does not unduly interfere with the employee's work or the normal operations of the District; however, a reasonable time shall be allowed for processing such grievances during normal working hours.
- 5) During the pendency of any grievance, and until a final determination has been reached, all proceedings shall be private, and any preliminary disposition will not be made public without the agreement of all parties.
- 6) Any grievance not appealed to the next step of the procedure within the prescribed time limit shall be considered settled on the basis of the answer given in the preceding step.
- 7) Failure of the District to issue a decision within the time limit at any step shall be deemed a denial and permit the grievant to proceed to the next level within the applicable time limits.
- 8) Time limits set forth in this Article may be modified by mutual agreement of the parties involved.

- 9) Forms for filing grievances, and other necessary documents, shall be prepared and given appropriate distribution by the Human Resources Director in a manner which will facilitate the operation of the procedures set forth herein.
- 10) Any request for necessary and relevant information should normally be made at Level I. Only related matters may be subsequently introduced.
- 11) Any party may obtain the following information in possession of, or which may reasonable be obtained by, the responding party or the responding party's representative:
  - a. The name, address, and telephone number of each witness whom the responding party intends to call to testify at the Grievance hearing. (As used herein, "responding party" shall mean the person of whom the information is requested.)
  - b. Copies of written statements, if any, by any person whom the responding party intends to call as a witness.
  - c. All written grievances, grievance appeals, decisions, and all other related written communications shall be filed simultaneously with the Union representative.
  - d. No reprisals of any kind will be taken by the District or the Union against any unit member or other participant in the grievance procedure by reason of such participation.

## **ARTICLE 13 SENIORITY AND LAYOFF**

### **13.1 SENIORITY**

#### **13.1.1 District Seniority**

District seniority is defined as the length of continuous paid employment with the District, calculated from the date of original hire, including the probationary period, if any, in a regular position.

#### **13.1.2 Classification Seniority**

Classification seniority is defined as the length of continuous paid employment in that classification. For the purposes of this Article, approved leaves of absence shall not be deemed a break in continuous employment.

#### **13.1.3 Loss of Seniority**

Employees shall lose their seniority for the following reasons:

- Discharge
- Resignation
- Failure to return to work when recalled from layoff as set forth in the recall procedure
- Failure to return to work after the expiration of a formal leave of absence
- Retirement
- Layoff for a continuous period of 24 months

### **13.2 LAYOFF**

Layoffs may occur due to circumstances that may arise due to business reasons, such as restructuring or reorganization of a division, discontinuation or modification of a program, function, or job(s), lack of work, lack of funds, or in the best interests of the District. After consideration of the recommendation by the General Manager, and in the judgment of the Board of Directors, the Board of Directors may abolish any position. The decision to layoff shall be made at the sole discretion of the District. Employees may be laid off or demoted without disciplinary action and without the right of appeal. The decision to implement a layoff must be non-discriminatory and must comply with the provisions set forth herein.

The appropriate Department Head, in collaboration with Human Resources, shall prepare and submit a layoff list to the General Manager for presentation to the Board of Directors. In determining which employees will be subject to layoff, the following criteria apply in making layoff decisions.

- 1) The first and most important criterion is the operational requirements and needs of the District in fulfilling its mission.
- 2) The second is the work history of an employee. Decisions to lay off an employee should be based on job qualification skill sets, the competencies for the position, demonstrated ability, performance, and/or productivity. Assessment of the skills and abilities shall be made at the sole discretion of the General Manager, Department Head, and supervisor.
- 3) The third and final criterion is the employee's District seniority. In instances in which

no meaningful distinctions between candidates are apparent, District seniority generally should be used as the deciding factor.

The first and second factors should be given more weight than the third factor.

In cases involving regular employees, written notice of such layoff will be given to the employee at least 30 days prior to the effective date. Employees so notified may be allowed reasonable amounts of time off with pay to seek employment. Employees subject to layoff will be informed of the nature of the layoff and the foreseeable duration of the layoff.

#### **13.2.1 Demotion to Vacancy**

At the sole discretion of the General Manager and Department Head, an employee displaced through layoff may be offered a funded vacancy in a lower class for which the employee is qualified through possession of the appropriate knowledge, skills, and abilities.

#### **13.2.2 Salary Upon Demotion to Vacancy**

Employees moving to a lower classification shall be placed at the salary point on the new range as close as possible to the employee's previous salary. In no case shall the salary be increased above that received by the employee prior to the layoff.

#### **13.2.3 Reinstatement Following Layoff**

The names of persons laid off or demoted in accordance with these rules shall be entered on a list for potential reinstatement. Lists shall be maintained by job classification. These individuals are not guaranteed reinstatement, but they shall be considered finalists for vacancies in any subsequent recruitment for that job classification.

The list will be maintained in the Human Resources office. Names of persons laid off shall be carried on the list for a maximum of two years. Persons shall be removed from the list when returned to regular positions in the same or similar classification from which they were laid off. Persons re-employed in a lower class, or on a temporary basis, shall be continued on the list for the higher position for a maximum period of two years.

Employees on the list do not have to complete an application for the same job classification as held prior to layoff. They are automatically forwarded as a finalist for any opening in that job classification. However, reinstated employees are subject to a new medical clearance to ensure that they are fit for duty. Additionally, reinstated employees who had not completed their 12-month probationary period prior to layoff shall be subject to the remainder of their original probationary time.

#### **13.2.4 Notification of Recall**

The District will rely on its records for the last address of the laid off employee and may remove from the recall list a senior employee who does not accept recall to work within 10 days after mailing of notification. A copy of such recall notification shall be mailed to the Union for its information.

### **13.2.5 Meet and Confer over Impact**

Upon the request of the Union, the District shall meet and confer on the impact of the layoff.

## **13.3 RESTORATION OF BENEFITS UPON REINSTATEMENT**

Upon reinstatement following a layoff, an individual will have the following benefits restored:

- Seniority at the time of layoff for purposes of vacation accruals.
- Return to the same salary step held at the time of layoff. If the employee returns to a lower paying classification than the classification from which they were laid off, and if the employee's previous salary level falls within the salary range for the new classification, the compensation shall be set at the salary step closest to, but not exceeding, the level the employee had earned prior to the layoff. If the salary range for the new classification is less than the base salary level the employee had earned prior to the layoff, the employee shall be compensated at the top of the salary range for the new classification.

## **13.4 CONTINUATION OF BENEFITS**

Employees who are laid off and who hold regular status at the time of layoff and were enrolled in health insurance shall be eligible to maintain insurance in accordance with the rules and regulations through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

## **ARTICLE 14 TERMS OF AGREEMENT**

### **14.1 DURATION**

This Agreement shall remain in full force and effect from July 1, 2025, through and including June 30, 2028.

### **14.2 OTHER TERMS AND CONDITIONS**

All other terms and conditions of employment not explicitly modified/abridged by this Agreement shall remain in full force and effect. Proposed changes shall be subject to the Entire Agreement provision of this Agreement, subject to the below. Any changes to Local Rules shall be subject to the Meyers-Milias-Brown Act.

The parties agree that the provisions of this subsection shall apply only to matters which are not covered in this Agreement. The parties recognize that it may be necessary for the District to make changes in areas within the scope of negotiations. Where the District finds it necessary to make such changes, the District shall notify the Union of the proposed change thirty (30) days prior to its proposed implementation.

The parties shall undertake negotiations regarding the impact of such changes on the employees when all three of the following exists:

- 1) Where such changes would affect the working conditions of employees.
- 2) Where the subject matter of change is within the scope of representation pursuant to the Meyers-Milias-Brown Act.
